

# HARBOR AT HOME

**Harbor School**  
Providing Excellence in Special Education Since 1969

**At HOME**

Due to the corona virus,  
Harbor School is closed.

No one is at the school. No one is allowed in the building. Everyone has to stay home.

But even though we are not in the school building right now, we still have to have school so we can learn.

This is called HOME SCHOOL; DISTANCE LEARNING; VIRTUAL LEARNING....

**HARBOR AT HOME!**

Even though we are all in our own houses, all of my teachers and classmates still have school work to do EVERY DAY. Just like when we are in the school building.

Sometimes, my school work will be on on the iPad or the computer.

Sometimes, my school work will be a fun or functional activity that I have to do at home. Things like reading a book with my family, playing with playdoh, sorting socks and cleaning up my toys is my school work.

Sometimes, my school work will be worksheets, making a snack or crafts. For these activities, I have to sit down at a table to work.

This is a very different way to have school. Usually, at home, I don't have to do school work. It's different that my parent has to act like my teacher and have me do work. It's different that I have to do school at home.

I miss my teachers. I miss my friends. I miss my school schedule and routine.

No one knows yet when we can go back into the Harbor School building. But since I need to keep learning, I will do my school work at HARBOR AT HOME everyday.
